**BE PART OF THE UK'S BUSIEST & MOST
EFFECTIVE RECRUITMENT EVENTS**

READ WHAT OUR EXHIBITORS HAVE TO SAY ABOUT THE SHOWS...

This is the first job show we've been to that encompasses all the roles that we have to offer. From here we've managed to talk about receptionists through to housekeeping, through to our catering teams, administration and our clinical positions.

There is a real buzz about the event. We've already been approached by a number of doctors, pharmacists, we've got someone from IT, a specialist security expert, as well as nurses and occupational therapists. It's a great place to come.

It's been fantastic. It's really great, there's loads of people here, loads of enthusiasm and there's so much interest from people of all ages of working in the NHS, so it's really fantastic!

We had such success last time that we have decided to come back. Purely for the amount of candidates we saw and the success we had for recruitment.

NHS

**Central and
North West London

We met 55 strong candidates with relevant skills, experience and qualifications. Including 5 RGN'S, 5 RMN'S, 1CPN, 1 Dental Nurse, 1 Speech & Language Therapist, 3 Phycologists, 4 Physiotherapists, 1 Podiatrist, 30 HCA's, 4 CAMHS.

The show has been a very positive experience for us. We have been able to conduct face to face screening to provide us with quality applications. A very well organised show.

PJ Care
specialised neurological care

Last year, we had so many healthcare workers apply at our stand, that have progressed through the ranks and are up to senior healthcare assistants managing a unit now. So really successful for us.

We arranged 120 interviews! Brilliant event!

Really good. We are actually surprised by the calibre of people that we met. Originally we just came here just to get our brand Clearblue out there, but we've had some really good candidates, some people that we are surprised about.

Great service. Good layout and location. Overall great experience!

To any organisations thinking of attending the Job Show, I would say definitely, it's been so worth it for us and I think a lot of organisations would benefit.
