HAVE TO SAY ABOUT THE SHOWS...

CÔTE

At our most recent event we made 28 hires for front of house and back of house.

We have attended 3 Job Show events this year. At our most recent event we hired 15 people for lots of different roles.

We have had lots of interest. We have collected a lot of CV's. And we have seen some fantastic people.

The show was a great success for us – 15 hires! All having their inductions this week. Very impressed!

FORTNUM & MASON

A lot of what we do is interacting with customers and guests so it's great if we can see someone in the flesh and how they talk to us. It's been really useful for us!

A really positive outcome. We hired 55 people for team member roles, and 3 engineers.

HOTELS**

We were overwhelmed by the interest we had and were thrilled to engage with such an exceptional pool of candidates. Over 100 interviews booked directly from the event!

An absolutely brilliant event. Incredible candidates. We have made lots of hires over the years..

BRITISH AIRWAYS

Excellent event. We would definitely be interested in next year's Job Show. We were really pleased with the amount of interest we had in our roles and the volume of potential applicants at both our stand and seminars.

TUI GROUP

With some of the roles that we find more difficult to fill, we've seen some real stars today that we want to just grab and take with us now.

We did last year's Job Show as well. We were able to meet so many fantastic candidates and bring them in to our company. This is why we came back.

BENEFITS OF ATTENDING JOB SHOW EVENTS

1

Cost Effective

Employers typically hire 5 - 60 people per event. With regards to cost per hire, compared to agency fees, exhibitors continue to save money from attending our events. There is no limit to the amount of candidates you can hire, and no ongoing fees.

2

Growing Your Talent Pool

Employers typically add 200 - 1,000 people to their talent pool at each event. A new talent pool of people they can hire from throughout the year. Many exhibitors will hire people they meet during the event 3-6 months afterwards.

3

Pre Event Applications

Our websites and marketing campaigns generate huge exposure for each exhibitor. Many job seekers will see an employer is attending our event and will apply to them directly in the weeks and months before the event. This is in addition to the hires employers make during and after the event.

4

Active Job seekers

Over 10,000+ people pre-register to attend each event. Our extensive marketing campaign targets candidates that match the vacancies of our exhibitors.

5

Passive Job seekers

How do you target people that are not actively looking for a new job? How do you reach people that are not signed up with job boards or recruiters? This is the very reason we hold our events in middle of the UK's busiest shopping centres. Over 100,000 people visit each venue during each event. As our events are open from all sides, these people can all freely walk in to meet the exhibitors.

6

Face to Face Recruitment

By meeting thousands of candidates in person you can quickly assess their suitability for a role. Attending the event quite literally adds a personality to an application. This can save a lot of time and energy compared to online applications.

7

Employer Branding

They might have heard of you, but have they thought of you as an employer? Or do they realise you have a particular type of vacancy available? Showcase what makes your company great at the UK's biggest career events.

8

Standing Out Offline

With over a million online jobs in the UK, it is difficult for employers to stand out. In a competitive job market, it pays to be proactive and to go directly to the candidates.
