

LONDON JOB SHOW

Welcome to the London Job Show.

We hope you have a very productive time at the show.

We have a BSL interpreter available on both days. They can give you information about the show, or go around with you and interpret for you.

Please contact info@jobshows.co.uk to book your timeslot with the interpreter. If you have not pre-booked there may be a waiting period.

Our BSL interpreter will be available from 11.00 – 16.00 on both Friday and Saturday.

Please make yourself known to the Deaf Progress team on stand 88 and meet your interpreter there.

Good luck with your career search.
