EXHIBITED AT 13 EVENTS

We've met some software engineers with really good engineering backgrounds, we met some really great consultants both in terms of data consultants and business consultants, some project managers, and also people with really good test experience as well, so a nice mix.

Really good. We are actually surprised by the calibre of people that we met. Originally we just came here just to get our brand Clearblue out there, but we've had some really good candidates, some people that we are surprised about.

EXHIBITED AT 3 EVENTS

It's been a really good 2 days. Lots of people coming and talking to us. Loads of really great candidates. It's been amazing.

EXHIBITED AT 3 EVENTS

Our recruitment has gone absolutely through the roof. We have got some really good people through the door from it. Other companies should definitely do it.

EXHIBITED AT 6 EVENTS

It's great to promote our brand and also hire local talent. We have seen a mixture of Finance, IT and HR candidates, its excellent to be face to face with these types of candidates to really see their personality. I would always recommend this event.

EXHIBITED AT 3 EVENTS

At the 4 events we have attended we are averaging 10 hires per event. All for IT Sales & Account Manager positions. The event is always very busy with plenty of potential candidates to interview on the spot.

EXHIBITED AT 6 EVENTS

So great. Super busy. 700 applications received.

EXHIBITED AT 3 EVENTS

Most people will know who the Financial Times are, but they think we just recruit journalists. When in reality we are recruiting in product and technology, finance, marketing, procurement, advertising. It's a really efficient way to get your brand out there and speak to loads of promising candidates.

EXHIBITED AT 3 EVENTS

We've spoken to loads of people. Loads of people with really relevant experience, lots of people who have heard about Xero and lots of people who haven't. So, it's a great opportunity to let them know about the fantastic work we do.

EXHIBITED AT 8 EVENTS

Excellent. Always enjoy coming here.

EXHIBITED AT 14 EVENTS

We have hired quite a lot from previous events. If you want to increase diversity and widen your talent pool this is the place to be.

EXHIBITED AT 6 EVENTS

It's great. We didn't realise there would be this much traffic, it's been a really great event.

EXHIBITED AT 5 EVENTS

We came here last year in September, for the first time. It was a really good experience. We normally just try and recruit online. We saw this as a great opportunity to try and meet people face to face. And try and tap into a market we may not have not got to before, because we are trying to look for really niche positions. So really good to come back.

BENEFITS OF ATTENDING JOB SHOW EVENTS

1

Cost Effective

Employers typically hire 5 - 60 people per event. With regards to cost per hire, compared to agency fees, exhibitors continue to save money from attending our events. There is no limit to the amount of candidates you can hire, and no ongoing fees.

2

Growing Your Talent Pool

Employers typically add 200 - 1,000 people to their talent pool at each event. A new talent pool of people they can hire from throughout the year. Many exhibitors will hire people they meet during the event 3-6 months afterwards.

3

Pre Event Applications

Our websites and marketing campaigns generate huge exposure for each exhibitor. Many job seekers will see an employer is attending our event and will apply to them directly in the weeks and months before the event. This is in addition to the hires employers make during and after the event.

4

Active Job seekers

Over 10,000+ people pre-register to attend each event. Our extensive marketing campaign targets candidates that match the vacancies of our exhibitors.

5

Passive Job seekers

How do you target people that are not actively looking for a new job? How do you reach people that are not signed up with job boards or recruiters? This is the very reason we hold our events in middle of the UK's busiest shopping centres. Over 100,000 people visit each venue during each event. As our events are open from all sides, these people can all freely walk in to meet the exhibitors.

6

Face to Face Recruitment

By meeting thousands of candidates in person you can quickly assess their suitability for a role. Attending the event quite literally adds a personality to an application. This can save a lot of time and energy compared to online applications.

8

Standing Out Offline

With over a million online jobs in the UK, it is difficult for employers to stand out. In a competitive job market, it pays to be proactive and to go directly to the candidates.

TARGETED VISITOR MARKETING CAMPAIGN

A targeted and regional marketing campaign for each job show.

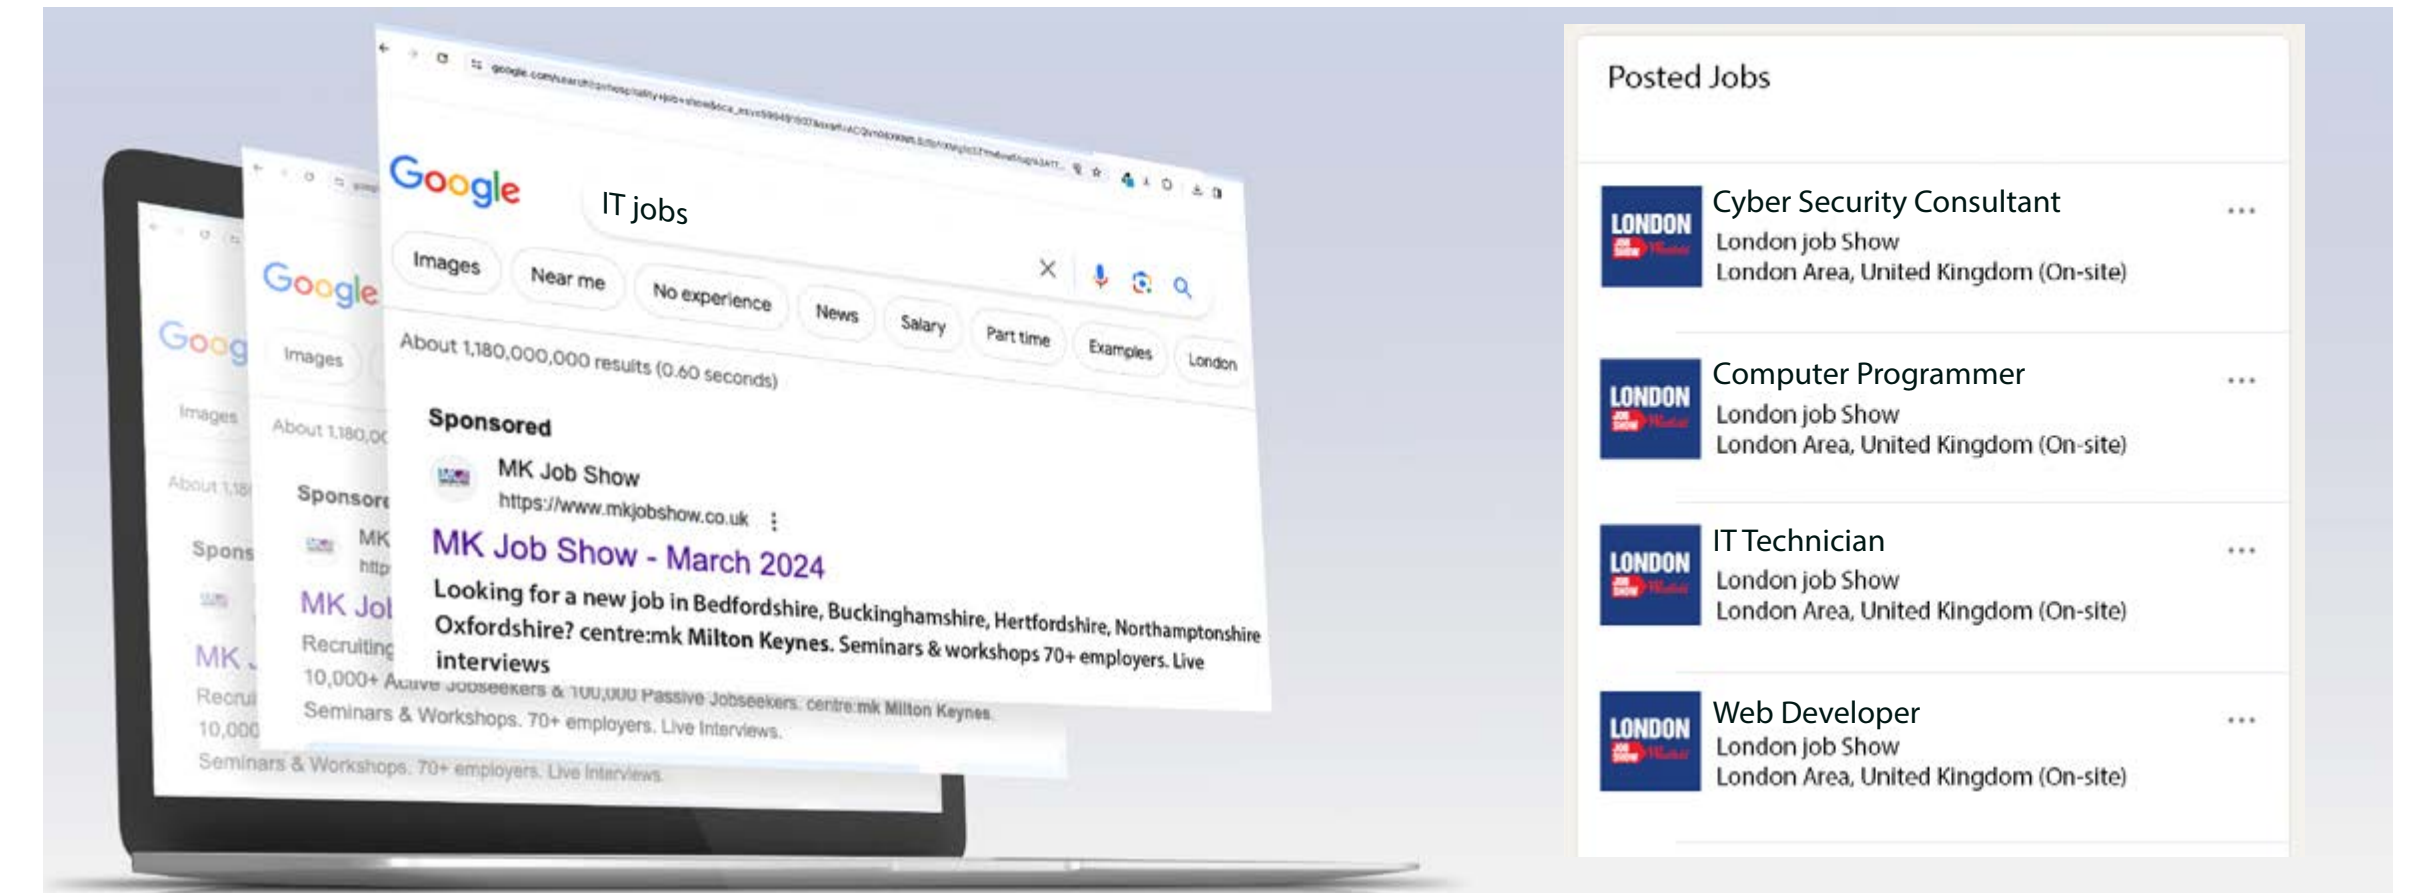

Examples of how we promote our shows include:

- Event Posters emailed to career advisors at 1,100+ universities and colleges across the UK
- Promoted Eventbrite campaign
- Exhibitor vacancies promoted on Astronaut Jobs job board.
- Exhibitor vacancies promoted on the Job Show website throughout the year

- Inclusion in shopping centre email newsletters to their visitor databases
- Promotional team positioned around shopping centre entrances directing people to the event
- Glossy Job Show magazine for each event

WE TARGET PEOPLE SEARCHING FOR YOUR JOBS

Each exhibitor sends us a list of the specific vacancies they would like to promote.

Our visitor marketing campaign will then target people that are searching for these particular job roles.
