

FRIDAY 15TH MAY 2026

SATURDAY 16TH MAY 2026

TIME	PRESENTER	TITLE	CONTENT
11.30	Royal Air Force	Apprenticeships	Discover how you can earn, learn, and launch a career with the Royal Air Force. Real roles, real training, real futures.
12.00	Talent Centric-CV & Career Advice	Why Is No One Replying to Your Job Applications?	In today's competitive job market, strategy and attention to detail matter more than ever. Discover how recruiters and AI really screen your CV and how it directly impacts your chances of success.
12.30	Veolia	Green Careers with Veolia	Veolia works on five continents with 215,000 employees, designing and delivering practical, sustainable solutions for the management of water, waste and energy. Come and hear from us about green careers and the wide range of roles available in environmental services.
13.00	Regent College London	The Pankaj Award to end Conflict	A brand new £250,000 fund dedicated to young leaders who are fostering unity in divided communities.
13.30	Teach... Beyond	A career that really means something	Find out what Teaching really offers. If you've got a degree and you want it to really make a difference, Teaching delivers. Learn about the day to day life of a teacher from a real Teacher with 25 years experience. A rewarding career that pays well with great pensions and quick career progression. Teach... because it matters.
14.00	Royal Air Force	Careers	Explore the wide range of careers in the Royal Air Force and see how your skills could take you further than you imagined.
15.00	ITOL Recruit	How to Fast-Track Into a £30-45K Career Without Starting Over	Many people already have degrees, experience, or transferable skills, but still struggle to break into professional roles. In this session, we'll show you how to fast-track into in-demand jobs through a structured pathway that combines industry-recognised qualifications, practical experience, and expert recruitment support. Whether you're looking to pivot to a new industry or step into a higher-level role, we'll outline how to make the most of your existing skills and accelerate your career progression.
15:30	Utility Warehouse	Time Freedom & Financial Stability: Utility Warehouse Opportunity	Whether you're a student, professional, business owner or retired, discover how to earn a full-time income with part-time hours and build a passive income asset that secures your future.
16.00	Unique People Consult	Optimising LinkedIn for an AI-Driven Job Market	Learn how to build a LinkedIn profile that works with today's AI-driven search and recruiter tools — while still sounding human, credible, and authentic. This practical session breaks down how LinkedIn algorithms work, what recruiters actually search for, and how to position your experience, skills, and headline to attract the right opportunities. From keywords and headlines to experience sections and engagement, you'll learn how to turn your LinkedIn profile into a powerful career tool — not just an online CV.

Come and hear from us about green careers and the wide range of roles available in environmental services.
13.00	Silver Lining Fostering Agency	Could You Foster and Transform a Child's Life?	Could You Foster and Transform a Child's Life? Is an informative presentation about fostering with Silver Lining Fostering Agency. It introduces the essentials of fostering, including what fostering is and the different types. It also explores who can become a foster carer and the rewards and impact of fostering on children's lives. The session outlines the support offered to carers, explains how to make an enquiry, and walks through the application process, including assessment stages. It also provides information on the fostering allowance policy, helping attendees understand both the practical and emotional aspects of becoming a foster carer.
13.30	Teach... Beyond	A career that really means something	Find out what Teaching really offers. If you've got a degree and you want it to really make a difference, Teaching delivers. Learn about the day to day life of a teacher from a real Teacher with 25 years experience. A rewarding career that pays well with great pensions and quick career progression.
