11.00	LinkedIn	Boost your career with LinkedIn	LinkedIn Masterclass for Job Seekers Want to stand out and grow your network on LinkedIn? In this hands-on masterclass, you'll learn how to create a compelling profile, make meaningful connections, and leverage LinkedIn's tools to open new career opportunities.
11:30	Able: gig work AI superagent	On-demand hiring you can trust: build your skills Gigfolio & get hired uber-fast!	Tired of endless applications, interviews, and waiting weeks for work that should take minutes to find? Able founder Alexandra shows you how to create a gigfolio that gets you gigs - launching with hospitality and event gigs but suitable for all frontline work. Join our interactive workshop where you'll build your shareable skills profile live, learn to bypass the broken gig market, and discover how to get paid same-day. Able's fees, paid by the buyer, are just 8% (vs 20-30% elsewhere). Real talk from someone who's been there - from homeless teen to corporate VP to working to fix the system with a values-based, ethical alternative.
12:00	Olymp Group	We invite you to join the Olymp Group and benefit from a complimentary laptop to support your studies.	Also, if you are interested in contributing to our mission, we would like to encourage you to consider a role as a Student Recruiter. In this position, you have the opportunity to earn up to £300 for each successful referral, allowing you to make a positive impact while also being rewarded for your efforts. We look forward to welcoming you to our team.
12.30	Cadent	Your Gas Network	We bring gas to 11 million homes and businesses throughout the North West, West Midlands, East Midlands, East of England and North London. We're committed to keeping you safe and warm. We also manage the National Gas Emergency Service on behalf of the gas industry.
13.00	UK Job Insider	How we used Custom GPTs and AI to land 3 offers in 1 month!	I'll show you exactly how we used Custom GPTs, ChatGPT prompts, and free tools to land 3 job offers in just 30 days. You'll walk away with real strategies, a list of FREE AI tools, and access to our Custom GPTs built specifically for UK job seekers. Whether you're stuck in your job hunt or just getting started, or struggling with applying to more applications in less time, this seminar will show you how to work smarter (not harder) with AI by your side.
